Announcement of the Winner of the ICN+T 2006 Conference prize drawing

Nanosurf held a competition for an STM at the Nanosurf booth during the ICN+T 2006 exhibition to all conference attendees. The lucky winner of Nanosurf's easyScan 2 educational STM package is Mrs. Marja Ahola-Tuomi from the Department of Physics at the University of Turku in Finland. Nanosurf congratulates Marja on her good fortune and trusts her new easyScan 2 STM will facilitate her teaching and research tasks.

Prof. Dr. Hans-J. Güntherodt draws the winner, assisted by Area Sales Manager Stephan Stücklin on August 3, 2006 at 11.30h

Head of Sales & Marketing Ola Modinger hands over the prize to the happy winner Marja Ahola-Tuomi
