Liestal, December 1, 2011

**ISO 9001:2008 Certified**

Nanosurf is pleased to announce it is now certified as an ISO 9001:2008 compliant company. The certification was accredited by IQNet (the international certificate network) and its partner SQS (the Swiss association for quality and management systems) on December 1, 2011.

The certification of compliance with ISO 9001:2008 recognizes that Nanosurf has implemented and maintains a management system for the development, manufacturing and sales of high-precision measurement equipment to ensure the highest efficiency and quality standards for its products and services, and of all processes involved. Customers can rest assured that Nanosurf is committed to maintain the standards that people have come to expect of Swiss quality products.
